Sub: General Election to ULBs, 2018 –  
**Appointment of Presiding Officer and Polling Officers.**

Madam/Sir,

In inviting a reference to the subject cited above, I am directed to say that as per Rule 35 of the Odisha Municipal (Delimitation of Wards, Reservation of Seats and Conduct of Election) Rules, 1994 and Rule 34 of the Odisha Municipal Corporation (Division of City into Wards, Reservation of Seats and Conduct of Election) Rules, 2003, the Election Officer shall appoint one Presiding Officer and one or more Polling Offices for each Polling Station. The Commission has decided that a polling party will consist of one Presiding Officer and three Polling Officers including one Group – D employee apart from the police personnel to be attached to the polling party. However, the Commission lays down the following guidelines for selection of the polling personnel:

- (a) Presiding Officer and Polling Officers are to be classified on the basis of scale of pay and their post and rank. As far as practicable, Gazette Officers will be deployed as Presiding Officers and failing that Officials who are working in supervisory capacity only should be deployed as Presiding Officer. The Presiding Officer should be of higher scale/grade in comparison to the other Polling Officers of that polling party.
- (b) A person having residence in a particular ward shall not be assigned polling duties in any of the polling station of that Ward.

- (c) A polling party should not have more than one personnel from the same office.
- (d) A polling party should not have more than one personnel having residence in the same Ward.
- (e) No employee of the Municipality shall be appointed as a Presiding Officer or Polling Officer. No judicial or Police Officer shall be appointed as Presiding Officer or Polling Officer.
- (f) No casual (NMR, DLR type) employee can be assigned polling duties.

The Commission further directs that the Election Officer shall take steps to constitute the polling team so that the formation of polling team will be ready **at least thirty days** before the date of actual poll. The Election Officer shall requisition the employees of different offices in the following format before formation of polling team.

Name of the Office with location \_\_\_\_\_

Sl. No.	Name of Employee	Designation	Scale of Pay	Residential Address with Ward No.	Remarks
[1]	[2]	[3]	[4]	[5]	[6]

In order to ensure uniformity the Commission has prescribed a form for such purpose (copy enclosed). The Election Officer should ensure that the appointment order must be served to the officers appointed for the purpose in a proper manner. He shall obtain signature of the persons drafted for the polling duty in the duplicate form.

This instruction supersedes Commission's letter No.3161 dtd.28.05.2013.

Yours faithfully
