FOREWORD

The State Election Commission constituted under Article 243K of the Constitution of India is vested with the powers of Superintendence, direction and control of preparation of Electoral Roll and conduct of elections to the three-tier Panchayati Raj Institutions (PRIs). The State Election Commission conducted 5th General Election to three-tier PRIs in the month of February, 2017. Schedule was drawn for holding General Elections from 13th February, 2017 to 21st February, 2017.

2. Arrangements were made for holding general election to the seats of 853 Zilla Parishad Members, 6801 Sarpanches, 6800 Panchayat Samiti Members and 92027 Ward Members excluding the office of Sarpanch and 23 Ward Members of Dhinkia Gram Panchayat in Ersama Block of Jagatsinghpur district as election in the Said Gram Panchayat is due in 2019. The notification for holding election was issued on 27.12.2016 and at that time some Zilla Parishad constituencies/Gram Panchayats were excluded from the notification owing to the interim orders of the Hon'ble High Court of Orissa which were subsequently taken up after vacation of the said interim orders. Elections were held simultaneously in all the 30 districts in five phases. Indirect elections to the office of Naib Sarpanches were held on 10.03.2017, election to the office of Chairman of Panchayat Samiti and President of Zilla Parishad were held on 11.03.2017 and 12.03.2017 respectively.

3. For holding 5th General Election to PRIs, the Commission recommended to the State Government on 25.01.2016 to complete the task of Delimitation of Wards and Constituencies and Reservation of Seats by end of May, 2016.

4. The Government in Panchayati Raj (PR) Department undertook reorganization of Gram Panchayats after 15 years. The last reorganization of

Gram Panchayats was done in the year 2001. On completion of the process of reorganization of Gram Panchayats, district-wise notifications were issued by the PR Department and the number of Gram Panchayats increased by 593 from 6208 to 6801. Further, the Government in PR Department amended the relevant provisions of the Acts and Rules and by virtue of the said amendment, the Delimitation of Wards and Reservation of Seats which were earlier done for two terms was amended to be done before every General Election.

5. The Government in PR Department initiated the process of reorganization of Gram Panchayats on 01.07.2015 and district-wise reorganization of Gram Panchayats was published by the Government from time to time and the last notification was issued on 05.07.2016. A large number of writ petitions were filed before the Hon'ble High Court of Orissa challenging the reorganization of the Gram Panchayats. The Hon'ble High Court in some cases granted interim stay orders on creation of new Gram Panchayats and in other cases remanded the cases to the Commissioner-cum-Secretary, PR Department for hearing and passing of orders. The Commissioner-cum-Secretary heard the cases and disposed of by reasoned orders. Some petitioners again went to the High Court challenging the orders passed by the Commissioner-cum-Secretary, PR Department. The Hon'ble High Court in some cases passed interim orders staying the orders passed by the Commissioner-cum-Secretary, PR Department. This process continued even after the election notification was issued by the Commission on 27.12.2016. The State Election Commission initially excluded those Gram Panchayats from the election notification for which there were interim orders of Hon'ble High Court and once the interim orders were vacated, those Gram Panchayats were taken up for holding election.

6. The Government in PR Department finalized the reservation of seats for Zilla Parishad Members and Zilla Parishad Presidents. Similarly, the

Collectors of different districts finalized the reservation of seats for Ward Member, Sarapanch and PS Member and submitted the same to the Commission by 05.09.2016. A number of writ petitions were filed in the Hon'ble High Court of Orissa challenging the Delimitation of Wards and Reservation of Seats in which the State Election Commission was made a party to the case. The Hon'ble High Court passed interim orders in some cases staying the notification issued by the different authorities. The writ petitions were filed on the ground of quantum of reservation which exceeded 50% of the total posts and other issues.

7. The Delimitation of Wards and Reservation of Seats is the subject matter of the State Government and the State Election Commission did not have any definite opinion regarding the merit of each case. The Commission while issuing notification on 27.12.2016 excluded those Panchayat Samities/Gram Panchayats where the Hon'ble High Court have passed interim orders staying the notification issued by the appropriate authority. As per the provisions of the Constitution of India and all the Panchayat Acts, every panchayat shall continue for five years from the date appointed for its first meeting and no longer. The State Election Commission appeared before the Hon'ble High Court with the contention that that since the new Bodies have to be constituted before the expiration of the present Bodies, the Hon'ble Court may allow the Commission to hold the election in time as per the Constitutional mandate. The Hon'ble High Court appreciated the imminence of the election and the Hon'ble High Court in their order dated 25.01.2017 allowed the Commission to hold election as per the mandate fixed in the Constitution as well as Panchayat Acts.

8. The reorganization of Gram Panchayats as well as the cases pending before the Hon'ble High Court of Orissa delayed the process of preparation of Electoral Roll and for the first time, the Commission took up the preparation of Electoral Roll in a phased manner. The first schedule for 27 districts was

announced on 18.10.2016 followed by another five schedules on 10.11.2016, 16.11.2016, 21.11.2016, 30.11.2016 and 08.12.2016. The printed copy of the Electoral Roll of 27 districts was submitted to the Commission by 09.12.2016 and the printed copy of the rest of the Electoral Roll were submitted as per the schedule issued by the Commission and the last such one of Jaleswar Block of Balasore district was submitted on 26.12.2016.

9. Conduct of election to PRIs constitute one of the most important tasks of the Commission for which the preparation starts one year before the date of actual election. Comprehensive arrangements are made for smooth conduct of election in the State and meetings are held with political parties, Collectors, SPs, District Panchayat Officers and top officials of the civil and police administration. Video conferencing were done with Collectors, senior officers of the District and BDOs on 10.11.2016, 24.11.2016 and 22.12.2016 to review the preparedness for smooth conduct of Panchayat election in the State.

10. The Commission at its level printed all the election related forms, manuals, instructions and guide lines and ballot papers at the Directorate of Printing, Stationery and Publication, Government of Odisha, Cuttack and supplied the same to the districts in time. Further the Commission centrally procured materials like Indelible Ink, steel trunks, screens and different types of seals and supplied the same to the districts in time and issued instructions to the districts to procure some other election related materials at their level.

11. Panchayat laws lay down that Electoral Roll for Assembly Constituency for the time being in force shall be the basis for preparation of the Electoral Roll for Panchayat Election unless State Election Commission directs otherwise. As the Assembly Electoral Roll for 2017 was due for publication in January, 2017 by the Election Commission of India, it was not possible on the part of State Election Commission to conduct General

Election to PRIs basing upon the Electoral Roll to be published in January, 2017. As such Electoral Roll published by the Election Commission of India in January, 2016 was the basis for preparation of Electoral Roll for 5th General Election to PRIs, 2017. The Commission fixed the qualifying date as the 1st November, 2016 and it was instructed that those attaining the age of 18 years on the 1st November, 2016 can file claims to enroll them as electors for the Panchayat Election, 2017. For preparation of Electoral Roll, the Commission convened a meeting of the political parties on 29.09.2016 and had a deliberation with the representatives of political parties. The number of electors increased by 16,48,686 from 2012 Panchayat Election.

12. Printing of Electoral Roll was done at District level under the supervision of District Collectors and funds were placed at their disposal for the purpose. Advance intimation was sent to the District to finalize the printing firms much before the Electoral Roll is finally published. This was closely monitored by the State Election Commission and the Districts finalized the printing firms before the date of final publication of the Electoral Roll for which the printing was done smoothly and timely.

13. On the recommendation of the State Election Commission, the State Government issued notification on 23rd December, 2016 calling upon the electorate to elect their representatives to three-tier Panchayati Raj Institution in a General Election.

14. In order to complete the General Election to PRIs, 2017 before completion of tenure of last elected Panchayat Bodies the Commission notified the election schedule on the 27th December, 2016 and the model code of conduct came into force from the same date till completion of direct election i.e. the 21st February, 2017. As per the Election laws, the Wards/Constituencies where no nomination were filed and all nominations were rejected, the Commission notified fresh schedule to receive nomination for the second time on 21.01.2017.

15. Election were held in 5 phases i.e. the 13th February, 2017 to 21st February, 2017 with one day gap for each day of poll. Instructions were given to impart training at District Level and Block Level to the polling personnel/counting personnel and election related officers. For smooth conduct of poll, the Commission convened a meeting with political parties on the 26.12.2016. A meeting was convened in the Secretariat on 06.01.2017 to take stock of the preparedness including law and order where Development Commissioner, Principal Secretary, Home, DG & IG Police, Commissioner-cum-Secretary, PR Department, Director, Panchayati Raj Department and all the Collectors and Superintendents of Police and other senior police officers participated.

16. Earlier the election was being conducted Zilla Parishad Constituency-wise. During 2012 Panchayat Election 22 districts adopted the practice of holding election in the entire block on a single day. During 2017 election was held in the entire block on a single day throughout the state except Pattamundai Block under Kendrapara district and Kolnaara Block in Rayagada district.

17. All the forms, envelopes, labels and Ballot Papers for General Election to PRIs were printed at Government Press, Odisha, Cuttack. All statutory, non-statutory forms, labels were printed in Odia, in order to facilitate the contesting candidates and these were supplied to the Districts much in advance.

18. The Commission changed the colour of Ballot Papers and prescribed blue for Ward Member, yellow for Sarpanch, pink for Panchayat Samiti Member and white for Zilla Parishad Member. Ballot Papers were printed with watermark having Logo of SEC as a security measure. A new watermark was used during 2017 Panchayat Election. Ballot Papers of Ward Member, Sarpanch and Panchayat Samiti Member were despatched to all the

districts by mid January, 2017. The Ballot Papers for Zilla Parishad Members were despatched to the district by 06.02.2017.

19. To ensure free and fair election the Commission deployed 34 OAS Officers as Election Observers. More than one Observer(s) were appointed for bigger and sensitive districts. They were asked to be present at District Headquarters during scrutiny, campaigning and also during the period of poll. For the first time five different types of formats were prescribed for the Observers to report at different stages of election. As many as 32 Expenditure Observers were appointed to monitor the ceiling on Election Expenditure for candidates contesting for Sarpanch, Panchayat Samiti Member and Zilla Parishad Member. The Commission also fixed limit on use of no. of vehicles by the contesting candidates.

20. The Commission ordered for re-poll in 130 cases due to booth capturing, destruction/snatching of ballot boxes and vitiation of free and fair poll etc. This number is lower than 309 cases of repoll ordered during 2012 Panchayat election.

21. The Panchayat Rules provides that if a contesting candidate dies after the publication of the final list of contesting candidates and before the commencement of the poll, the election has to be countermanded. As many as 17 contesting candidates (ZP Member-1, Sarpanch-4, PS Member-2 and Ward Members-10) expired during the election process for which the election was countermanded in those Constituencies/Wards.

22. Arrangements were made for 2,61,31,451 voters to exercise their franchise in 92027 (Booths) Wards in electing their representatives. Overall percentage of poll was 78.03% which is 3.73% more in comparison to General Election to Panchayats, 2012. During Panchayat Election, 2012, there were 6236 Gram Panchayats divided into 87551 Wards with 2,44,82,765 voters. By the time, the reorganization of Gram Panchayats was

taken up by the State Government, the number of Gram Panchayats have been reduced to 6208 due to merger of 28 Gram Panchayats in urban areas. So there was an overall increase of 593 Gram Panchayats totaling 6801 Gram Panchayats due to reorganization of the Gram Panchayats done before the Panchayat Election, 2017.

23. The Provision of (Extension to the Scheduled Areas) Act, 1996 came into force on the 24th December, 1996. Odisha Gram Panchayat Act, 1964, Odisha Panchayat Samiti Act, 1959 and Odisha Zilla Parishad Act, 1991 have adopted the provisions of the PESA Act. It covers 7 districts i.e. Mayurbhanj, Sundargarh, Koraput, Malkangiri, Rayagada, Nawarangpur and Kandhamal in full and Deogarh, Keonjhar, Gajapati, Kalahandi, Balasore, Sambalpur and Ganjam in part spread over in 2099 Gram Panchayats in 119 Blocks in full and 3 Blocks in part. Accordingly, 26729 Wards out of 92,027 Wards, 2099 office of Sarapanch out of 6801, 2077 office of Panchayat Samiti Member out of 6800 and 259 Members of Zilla Parishad out of 853 comes under the Schedule Area. Elections to these offices were conducted as per the provisions of Panchayat Laws in vogue in strict conformity with the PESA Act.

24. During the General Election to PRIs, 2017, some innovative and reformative steps were taken by the Commission for smooth conduct of panchayat election in the State.

- A new provision was added to the Chapter-II of the Model Code of Conduct which stipulated that all those candidates contesting for the offices where election is being conducted on non-political party basis shall not use the name and symbol of any political party during campaigning.
- Videography/CCTV coverage were done in the sensitive/hypersensitive booths to keep close watch on the law and order situation.
- Five types of formats were prescribed for the Election Observers to report at different stages of election.

- Adequate police protection was arranged during the return of the polling parties back to the Block headquarter after conduct of poll which resulted in less number of snatching of election materials and thus reducing the number of repoll.
- Different Ministries of the Government of India were directed to stop the release of advertisement highlighting the achievements of Government of India in Odia Newspapers and TV channels and the Ministries complied with the same. Display of boards highlighting the achievements of the Government was removed under the instruction of the Commission.
- Video conferencing was done with the District Collectors and other officials on three occasions to monitor the election arrangement at the field level.
- The website of the Commission was redesigned in dynamic mode with online complaint and monitoring facilities.

25. The Commission revised the ceiling on election expenses and the ceiling for Zilla Parishad Members was revised to Rs.2.00 lakh from Rs.1.50 lakh and for Sarpanch and PS Member to Rs.80,000/- from Rs.60,000/-.

26. No major poll violence took place during the election. The election to Chitrakonda Panchayat Samiti was to be postponed due to prevalent law and order situation and threat perception from the Maoist Groups. Out of the 18 Gram Panchayats in Chitrakonda Block, 09 Gram Panchayats are in the cut-off area. The designated Election Officers who had gone to receive nomination at the Gram Panchayat headquarters in those cut-off areas could not be able to receive nomination for all the five days as scheduled and some of the designated Election Officers were forcibly taken away by the Maoist. Election in Brahmanachai Gram Panchayat under Seragarh Block in Ganjam district was to be postponed due to the murder of a contesting candidate who died before the day of poll. Barring a few sporadic incidents, the conduct of General Election was by and large peaceful.

27. There were some transfer/suspension of officers associated with election recommended by the Commission due to negligence in duties and keeping in view the objective of conduct of free and fair elections

28. For the first time, during Panchayat Election, 2017, huge amount of unauthorized cash was seized from various contesting candidates and their supporters. Total seizure amount reported to the Commission is Rs.13.10 lakh.

29. Another important aspect of the Panchayat Election, 2017 is that the election was held at a stage when demonetization was going on. As per the guidelines issued by the Reserve Bank of India, Rs.24,000/- could be drawn by one account holder per week. For holding election, the Commission placed allotment with the Districts and huge amount was required to be drawn in cash to be paid as advance to the Polling Parties, police personnel and expenses towards vehicle arrangement etc. Anticipating the seriousness of the matter, the Commission on 8th January, 2017 requested the Finance Department to move to the Reserve Bank of India to accord necessary permission to the banks to allow drawal of funds as required in cash by the District Collectors for election related expenses. The Finance Department immediately took up the matter with the Reserve Bank of India and the Reserve Bank of India on 13.01.2017 issued instruction to all the banks to permit cash withdrawals to the Treasuries for election related expenses. Accordingly, the Districts were able to draw cash as required by them and the issue was solved.

30. A controversy arose relating to the Notification issued by the Government in PR Department on 08.03.2017 which stipulated that every Political Party whose Member as an elector casts a vote for the purpose of election to the office of the President, or as the case may be, the Vice President, may appoint one authorized agent and the President or the General Secretary of the State Level Political Party/State unit of the National

Political Party shall, in writing, inform the same to the Election Officer with full details of the authorized agent proposed to be so engaged for the said election prior to the scheduled date of election. The election of the President was scheduled to be held on 12.03.2017. This Notification of the Government was challenged in the Hon'ble High Court of Orissa and the Hon'ble High Court in their judgment dated 30.03.2017 struck down the said Notification issued by the State Government on the ground that the authority concerned suffers from lack of jurisdiction during the continuance of the election process. By the time the order was received the election of President and Vice President in 28 Districts were over. Election of President and Vice President of Nuapada and Malkangiri districts were held without giving effect to the Notification issued by the PR Department on 08.03.2017.

31. After issue of election Notification by the Commission on 27.12.2016, there were allegations and counter allegations against violation of the Model Code of Conduct by different Political Parties. These allegations and counter allegations were submitted to the Commission daily. Immediate steps were taken on allegation of violation of Model Code of Conduct. Reports were called for from different authorities after enquiry. In some cases Observers were entrusted to conduct enquiry and because of strict enforcement of Model Code of Conduct, the problems could be handled effectively.

32. During 2012 Panchayat Election, it was observed that counting of votes at the booths created a lot of problems which ultimately resulted in a lot of litigations. The quality of counting also suffered and it had a direct impact on the conduct of free and fair election. The Commission repeatedly urged upon to amend the said rule and despite the best of efforts nothing could be materialized. During 2017 Panchayat Election the same situation resurfaced. The ballot papers, ballot boxes were snatched away by the miscreants because of booth level counting. It is once again reiterated that this practice can be done away with as early as possible lest, it will be

herculean task to hold next Panchayat Election with the counting at the polling station giving rise to difficult law and order problems.

33. The Commission place it on record the active cooperation received from Political Parties, District Administration, Police Department, Electronic and Print Media for the conduct of smooth and fair poll. The Commission also express its sincere thanks to the State Government for all the assistance and cooperation it received in the smooth conduct of the election. Preparation of the compilation has been labour of love for all of us in the Commission.

34. The compilation is expected to be useful to the Political Parties, Government Department and NGOs working in the areas of Panchayati Raj. We shall feel amply rewarded if the users find it truly helpful.

All support will be

rendered by the Government to the Commission to discharge its Constitutional obligation.

He was categorical that references seeking permission of the Commission in view of the enforcement of the Model Code of Conduct shall be routed through the Administrative Department instead of subordinate offices seeking clarification from the Commission.

DG and IG of Police :- Election to Panchayati Raj Institutions is back bone of Democracy and police administration has an important role to play for smooth conduct of Panchayat election in the State.

- From the Police point of view the entire State can be divided into Naxals and Non-Naxal areas. In the Non-Naxal areas, booths are to be identified as sensitive and non-sensitive whereas in Naxalite areas, booths are to be identified as highly sensitive and sensitive. He pointed out that while identifying a particular booth under the above category previous history of the area and the present law and order situation should be taken into consideration.
- Availability of the manpower is a prime concern but efforts shall be made to attach minimum one police personnel to each polling party. He asked all the SSPs to prepare a contingent plan to meet eventualities arising at the any point of election process. Security of polling party is prime concern and more mobile parties are to be deployed including motorcycle patrolling to combat any law and order situation.
- Sanitization of the roads in Naxal areas is another important item of work. Additional forces may not be available from the Centre due to elections in five states, the Panchayat election has to be managed with the existing forces.
- There is a need for proper coordination with the bordering States and concerned DIG and SPs to interact with their counterparts of the bordering States to prevent unlawful activities being carried out during election.
- He asked all the SSPs to have a District contingent plan along with Election Control Room. Standard Operating Procedures are to be followed in tackling law and order situation.

Principal Secretary, Home :- That election to local bodies is very challenging. Troublesome areas are to be identified, local issues to be promptly attended to and eyes and ears are to be kept open to manage

the election work. Election Officer has to be decisive for which he has to be thorough in rules and regulations.

Addl. D.G.-cum-Director (Intelligence) :- To manage a peaceful election one has to be strategic and tactical. Naxalism is a Pan India phenomenon and the Panchayat Election in the State has become a cause of concern for the police in view of the open call for boycott of Panchayat election by the Naxals. The safety and security of all the persons involved in the election process shall be the top priority of the Police Department.

Commissioner-cum-Secretary, Panchayati Raj Department :- Elections to Panchayats, 2017 will be keenly fought. In elections to Panchayats problems/rivalries may surpass all previous elections and with the devolution of more funds to the Grama Panchayats the intensity of contest will be high. Apart from keeping close watch on the direct election, one has to maintain the same till the indirect elections are over. All the Govt. officials involved in the election process down the Block/Grama Panchayat level has to maintain political neutrality. Anybody found indulged in political activity will be severely punished.

A.D.G. (Law and Order) :- The confidence shown by the Collectors and SPs should continue till the election process is over. There shall be vulnerability mapping and preventive measure are to be taken to avoid any law and order situation. Steps may be taken at the level of the Chief Secretary to retain the forces available in the State instead of those being deployed in other State for election to Assembly and Parliament. Communication network should be fast so that force management can be effectively carried on.

Interaction with Collectors and SPs :- All Collectors and SPs assured that elections will be conducted peacefully in the district and all preparations have been done in this regard and they are confident of smooth Panchayat Election in the State.

All the Collectors confirmed that notices will be issued today by the Election Officers. The Electoral Roll to the Political Parties and others are in the process.

Besides above the following issues were raised/resolved :-

- i) Utmost care should be taken during the scrutiny of the nomination papers. Benefit of doubt should go to the candidate. Nomination should not be wrongly rejected.
- ii) Some of the Collectors suggested to engage Extension Officers to receive the ballot paper from the Presiding Officer after counting is over at the polling station so that they can move to the next polling station, instead of coming to the Block headquarters to return the same. The Commission informed to look into the suggestions on references being made by the Districts.
- iii) The Collectors were given the option either to engage Videographer or CCTV coverage taking into account the availability at the district, cost thereof and suitability.
- iv) In case of medical emergency particularly in extremely urgent referral cases financial assistance can be sanctioned out of Red Cross by the District Collector.
- v) Senior District Level Officers shall be deployed as Supervisory Officer above the Sector Officers and shall be kept in charge of each block.
- vi) Payment to Polling Parties and other election related expenditure can be done either by cheque or bank transfer as far as possible. The possibility of use of minimum cash shall be explored.
- vii) Shifting of booths from one place to another is not permissible without the approval of the Commission.
- viii) Proper arrangement shall be done at the GP headquarter for receiving nominations more particularly in the newly created Grama Panchayats.
- ix) Adequate Police protection shall be provided at the Strong Room.
- x) Districts shall cooperate with each other in making available the required number of vehicles from surplus Districts to deficit Districts.

- xi) Strict vigil to be maintained on violation of Model Code of Conduct and action to be taken to check such violations.
- xii) When information and reports are called for by the Commission, the same shall be promptly attended to.
- xiii) Observers will be appointed and they shall be provided with logistic support and secretarial assistance apart from their interaction with political parties when the meeting is conducted by the Collectors.
- xiv) All precautionary and preventive measures shall be taken to prevent any law and order situation.

The State Election Commissioner while summing up the important points discussed, advised all functionaries to efficiently perform their duties with impartiality and neutrality so as to conduct election in a free, fair and peaceful manner.

The Secretary, State Election Commission extended the vote of thanks to the Chair and all participants.

This has been approved by the State Election Commissioner.

Sub: General Election to PRIs - 2017 -
Ban on transfer of Officials associated with preparation of electoral roll.

Ref: Commission's Order No.- 3677/SEC., dated 18.10.2016.

Sir,

In inviting a reference to the subject cited above, I am directed to say that State Election Commission, Odisha has issued Programme for preparation of electoral roll (copy enclosed) for ensuing General Election to PRIs, 2017 for 27 districts. Collector of the District as the Electoral Registration Officer is in overall charge of preparation of electoral roll of the District. She/He authorizes Block Development Officer to act as Electoral Registration Officer of the concerned Panchayat Samiti. The Commission is of the views that transfer of any Collector, Block Development Officer, District Panchayat Officer or any other -Officials associated with preparation of electoral roll in the midst of preparation of electoral roll would cause considerable dislocation in the said work.

In the above background, the Commission recommends that the concerned Collectors, Block Development Officers, District Panchayat Officers or any other Officials associated with preparation of electoral roll for these 27 districts may not be transferred during preparation of electoral roll i.e. from **21.10.2016 to 09.12.2016**. In case there is a vacancy in any of the above posts

and Government posts a regular person in the place of someone kept in charge, this ban would not be applicable. But officer kept in charge shall not be disturbed except by the regularly posted officer and someone else be kept in charge. If any Officer associated in the above task has already been - transferred in the meanwhile but not relieved, their transfer order also may be cancelled or kept in abeyance. Again, incase, the transfer of any of the officers becomes necessary on administrative exigency or public interest such transfer may be made after getting prior permission of State Election Commission, Odisha.

Necessary Government instructions may kindly be issued to the concerned Departments /Heads of Departments in this regard.

Sub: Maintenance of strict neutrality by Government officials during General Elections to Panchayats - 2017.

Madam / Sir,

I am directed to say General Elections to Panchayats are scheduled to be held during February, 2017. It is of utmost importance that Government officials including Police at all levels should maintain strict neutrality in the discharge of their duties and do not act in any manner in the furtherance of the prospects of election of any particular candidate/party. The Panchayat laws of our State strictly prohibit any form of canvassing or influencing of election by an employee of the Government or focal Authority and prescribe severe punishment such as termination of service for infringement. For example, Section 28 of Odisha Gram Panchayat Act, 1964 lays down as follows:

“No person who is in the service of the State Government or of any focal authority shall, by canvassing on behalf of any candidate or otherwise, interfere or any way use his influence in an election and a breach of the provisions of this Section shall render the person liable to have his service terminated.

In this perspective, all employees of Government, PSUs and Local Bodies are required to ensure that their conduct is completely above board during Panchayat Elections.

2. Official vehicles, *machinery* and personnel belonging to Government, PSUs, Cooperatives, Local Bodies and PRIs shall not be allowed *to be used* in electioneering work in any manner.

3. No advertisement shall be allowed to be issued at the cost of the Public exchequer portraying the achievements of the Government until completion of elections in all respects.

4. It shall be the duty of the Police to ensure that complaints of criminal intimidation and violence and allegations relating to offences under Sections 15 3 A, 153B, 171B, 171C, 171D, 171G, 171H and 505-of I.P.C are dealt with promptly, impartially and firmly.

5. The Code of Conduct prescribed by the State Election Commission, as applicable to the employees of the Government, PSUs, Cooperative, Local Bodies and PRIs, shall be observed by them scrupulously till completion of elections to Panchayats.

Receipt of this letter should be acknowledged.

Yours faithfully,

Chief Secretary, Odisha

ORDER

SUB:- Scrutiny of nominations for seats reserved for S.C./ S.T. Backward class of citizens-Procedure regarding.

Seats have been reserved for Scheduled Caste, Scheduled Tribe and Backward Class of citizens under the Odisha Grama Panchayat Act, 1964, Odisha Panchayat Samiti Act, 1959 and Odisha Zilla Parishad Act, 1991 in pursuance of Article 243-D of the Constitution of India. The list of Scheduled Castes for Odisha as per the Constitution (Scheduled Castes) Order, 1950 and of Scheduled Tribes as per Constitution (Scheduled Tribes) Order 1950 are indicated in Annexure I & II, respectively. The list of backward class of citizens have not been given in the three state Acts and Rules.

(2) The Commission, therefore, in exercise of its power under Article 243-K of the Constitution and such other enabling powers in that behalf, has directed that the list of Socially and Educationally backward classes, notified by the Government of Odisha, ST and SC Development Department from time to time will be adopted for purpose of filling up the seats reserved for backward class of citizens. The up-to-date list of such Socially and Educationally backward classes obtained from the Government of Odisha, is given in Annexure III.

(3) The Commission has further noted that in the Nomination Forms prescribed under the three election Rules, there is space for the candidate to declare that he/she is a member of Scheduled Caste or Scheduled Tribes or Back Ward Classes of the State of Odisha.

(4) In the three State Acts and respective election rules framed there under there is no provision or prescribed procedure as to how the claim of a candidate that he/she belongs to Scheduled Caste/Scheduled Tribe or backward class of citizens should be substantiated or verified. Since large number of seats have been reserved for Scheduled Caste/Scheduled Tribes and Backward Class of Citizen in Grama Panchayats/Panchayat Samities/Zilla Parishads it is necessary that candidates for reserved categories for which the post is reserved contest the election. In this regard, the following guidelines which are being issued in consonance with the relevant

guidelines on nomination, scrutiny, withdrawal and allotment of symbols (Instruction SI. No. 17) issued by the Election Commission of India in their letter No.4, 3/2008/JS-II/Vol. III dtd.02.07.2008 addressed to the Chief Electoral Officers of all States and Union Territories may be adopted while scrutinizing nominations for reserved seats of Ward Member, Sarapanch, P.S. Member and Z.P. Member.

(a) All those contesting to the seats reserved for SC/ST/BCC shall have to submit the caste certificate of that category issued by the competent authority along with nomination form.

(b) Xerox copy of caste certificate shall be enclosed with nomination form and the candidate or his representative may be asked to submit the original certificate for verification during the time of scrutiny. Non submission of caste certificate by a candidate shall lead to rejection of candidature.

(c) Caste certificate issued from the competent authority anywhere in the state of Odisha is acceptable but caste certificate issued from outside the State is not acceptable.

(d) If a candidate has declared in the nomination form that he/ she belongs to Schedule Caste/Scheduled Tribes or Backward Class of Citizens, the same should first be verified with reference to the enclosure at I, II and III of this order as the case may be.

(e) On verification, the Election Officer is to satisfy himself that the candidate contesting for reserved seat belong to SC /ST/BCC as the case may be.

(f) Where the certificate produced by the candidature is challenged that the certificate produced is forged or is not issued by the competent authority, the Election Officer should get the position cross checked with the authority which purportedly issued the SC/ST/BCC candidates in question, before deciding the validity of the nomination paper of the candidate concerned. If on such cross checking/verification the election Officer is satisfied that the certificate in question is not genuine, he shall not only reject the nomination of the candidate concerned but also initiate criminal proceeding against the candidate for adducing forged documentary evidence before him.

(g) If the Election Officer receives information in connection with change of religion of a person belonging to Scheduled Caste by which he has ceased to become a Member of Scheduled Caste or any objection filed with concrete evidence stating change of religion through which the concerned person is no more a member of the Scheduled Caste, the Election Officer after such summary enquiry shall decide the issue. As a measure of abundant caution, the Election Officer will urge upon the

candidate where caste certificate is under challenge to file an affidavit duly sworn in before the Executive Magistrate or before Notary Public Stating that the continues to be a Member of the Scheduled Caste indicating his/her sub-caste. In case candidate declines to file affidavit during the period of scrutiny the Election Officer shall record the fact and take appropriate decision in the matter of acceptance of the nomination on the basis of his summary inquiry.

Earlier instructions regarding scrutiny of nominations for seats reserved for SC/ST/BCC issued by the Commission in order No.4048 dtd.06.11.2006 shall be deemed to have been modified to the extent as may be necessary to confirm the directions contained in this communication, from the date of it's issue.
